

## QESS Online Synchronous Lesson

# Online Collaboration for Design Thinking

Design Thinking is a human-centred approach to problem-solving used in different areas of business and education. This activity-based workshop will use online collaboration tools to learn how design thinking can impact your daily life.

**18 Aug 2021 (Wed) 3:00 - 4:30pm**  
**English supplemented with Cantonese**  
**Online via Zoom**

## REGISTRATION

<https://l.ead.me/bc8Nsz>

30 Quota (first come first serve)

A computer or tablet is required to participate in the workshop. MURAL, an online collaboration tool will also be used. For the best experience, you can download the MURAL app for Windows 10, MacOS and iOS at [www.mural.co](http://www.mural.co).

## Dr Chris Yin

Dr Yin is a lecturer at PolyU SPEED, Division of Social Sciences, Humanities and Design and Award Leader for BA (Hons) in Business (Innovation and Design Management).

Dr Yin has worked as a designer for various design/advertising agencies and in-house design in the United States and Hong Kong. He combines his industry experience with his knowledge of both design and business to provide a unique perspective to education.

Dr Yin received his Bachelor of Fine Arts degree from the University of Michigan, and his Masters of Design Methods degree from the Institute of Design at the Illinois Institute of Technology. He also received his Master of Business Administration degree from HKU, and his Doctor of Business Administration degree from PolyU.
